

A Decision You Have to Make

We understand that choosing the best place for your loved one can be both emotionally and financially challenging, not to mention time-consuming. Thoroughly checking each facility can be exhausting.

With one phone call to Emerald Hills Care Home, we will sincerely answer all your questions, and inform you of what to expect during this tough transition period. Our goal is to work with you as a team to make sure your loved one is in the right home.

Visits Can Be Fun, Conveniences Are Close By

Emerald Hills Care Home is located minutes away from downtown Redwood City. While visiting, you can dine with your loved one on our cozy porch surrounded by the wooded country neighborhood, relax to the calming sound of our beautiful garden patio water fountain, or take a trip to one of the many nearby places of interests that Redwood City has to offer. (approximately 5 to 10 minutes by car).

A Residential Care Facility for Elderly

Emerald Hills Care Home Was Opened Because of You!

With you in mind, we have developed:

Our Vision

To enhance the quality of life of our residents through supportive assisted living services and a creative balance of physical wellness programs and social interactions.

Our Mission

To provide a safe, comfortable, friendly and loving environment with the highest quality of care. At Emerald Hills Care Home, each resident receives personalized care based on his or her specific needs, with the goal to improve and/or maintain our residents' health and well-being.

Our System

An individual care plan for each resident is designed upon acceptance in the facility based on the pre-appraisal. Progress is routinely monitored in detail. A reappraisal and medication assessment is done periodically with the primary physician. The responsible party is notified with the results by mail.

Our Home Features

- nicely furnished private and semi-private rooms
- alarms on all exits
- availability for private cable and phone hookups
- open space living room, warm and cozy dining room
- handicap-accessible bathrooms
- charming and cozy porch overlooking a patio garden
- large patio garden for outdoor activities and therapeutic gardening
- the peaceful feeling of living in the country, surrounded by nature, without having to leave city conveniences behind

Services We Offer

- Registered Nurse on Staff
- Three daily nutritious meals with in-between snacks (modified diets, as needed)
- 24/7 personalized care, ADL
- Assistance with medications
- Transportation arrangement for doctor/dentist and other appointments.
- Scheduled wholesome activity programs, including trips and visits to the malls, churches, etc.
- Daily laundry services and housekeeping

Our Staff

Emerald Hills Care Home prides itself in providing competent care with our qualified and highly-trained personnel. Our staff has been carefully selected, hiring only those who have the integrity and dedication to serve our senior residents with compassion and understanding. We provide excellent training to our staff, opportunities for skill advancement, and continuous guidance to ensure their success.
